Concerned,

Thank you for requesting services to support Chapter 11 Schedules of Assets and Liabilities and Statement of Financial Affairs for 3 related Debtor cases. BMC Group is proposing to undertake the following for an estimated minimum fee of \$10,000 against which we will keep time records at the following hourly rates: \$95 case support, \$100 data management and \$175 case manager. Our proposal contemplates the following:

- No requirement to allocate our time-keeping by debtor;
- Receipt, via uploads to a dedicated SmartRoom (secure virtual dataroom) folder, all information and data required to complete Schedules and SOFA;
- One set of drafts, two revision sessions, final documents over a period of no more than 30 days.

If this proposal is acceptable, please have the approval below signed by a responsible party. Upon signing we will issue an advance request for \$10,000. It is understood that additional sums may be invoiced if there are changes to the assumptions included here.
